

Prayer for Your Parents

Lord and Savior, You have taught us to honor our fathers and mothers, and to show love and obedience toward them. From the depth of my heart I fervently pray to You, Jesus, my God: hear my prayer. Bless my parents who have raised me up with the help of Your grace. Protect them from evil, harm and sickness. Grant them faith, health and joy. Bless all their works that they may give You honor and glory all the days of their lives. Amen
