Holy Trinity Serbian Orthodox Church Sunday School Curriculum

113 North Saratoga Street
St. Paul MN 55104

Below is a brief description about each class as it will be presented through the course materials you'll be provided. All grades will study the major feast days with age appropriate materials, icons, and lives of the Saints. They will also be guided by Father Ljubomir once or twice each month through the customs and traditions of our Serbian Orthodox church. And, teachings about our history will be directed by Mr. Urosh Piletich once a month.

Kindergarten-2nd Grade

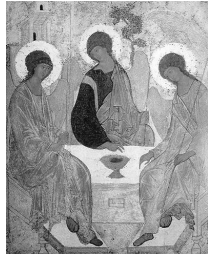

Children will be given instruction on stories from both the Old and New Testaments as their main course of study. They will also be presented with their first introduction to the study of the Divine Liturgy. A few of the older children in class can begin to focus on specific areas of study, reviewing stories of the New Testament, and an introduction to the Sacraments of Holy Confession and Holy Communion.

3rd Grade-5th Grade

This class will begin to explore the structure of the Orthodox Church. They will be taught about feast days, saints, and sacraments, and how they correlate to the Liturgical cycle. We will also touch on the many prayers that form the Divine Liturgy, as well as the Creed. There will be further instruction with regards to the preparation for the Sacraments of Holy Confession and Holy Communion.

6th Grade and Above

This class will begin to break down the bible more; learning how to navigate it and tie it to our Orthodox Liturgy as we know it today. There will be more Historical instruction of our Orthodoxy faith in this class, as well as deeper investigation into our customs and traditions, the symbolism found throughout, and within the church, and what of their meaning; such as the use of candles, incense, and blessed water, as well as the importance of the Theotokos and the Saints of the Church in the light of symbolism.
